Product Information

trucard 2 gloss is a solid bleached sulphate (SBS) board, fully coated on both sides. **trucard 2 gloss** is ideal for all high quality graphical and packaging applications requiring a coated two side (C2S) board.

trucard 2 gloss has outstanding levels of whiteness and brightness, together with smooth, glossy printing surfaces.

trucard 2 gloss has strong, durable fibres with good bulk and stiffness in relation to grammage.

trucard 2 gloss provides the opportunity to reproduce the most demanding designs on both sides of the product, faithfully and consistently.

trucard 2 gloss conforms to ISO9706 requirements for permanence, and is therefore suitable for archival use.

trucard 2 gloss is certified as safe for use in direct contact with dry and non-fatty foods in accordance with German BfRXXXVI recommendations.

trucard 2 gloss complies with packaging (essential requirements) regulation 1998: SI1165 for heavy metal content.

trucard 2 gloss complies with BS EN71-3 1995 which relates to the safety of products used in the manufacture or packaging of toys.

trucard 2 gloss is a Forest Stewardship Council accredited product (TT-COC-2032).

trucard 2 gloss is made from 100% woodfree pulps, is fully recyclable and manufactured from carefully managed and renewed commercial forests.

trucard 2 gloss is fully recyclable and manufactured to precise and controlled standards. Tullis Russell is registered under the BS EN ISO 9001-2000 quality assurance scheme and the BS EN ISO 14001 environmental standard.

trucard is also available in **trucard 1 gloss**, a coated one side (C1S) board with the same surface gloss as **trucard 2 gloss**, and in **trucard 2 matt**, a coated two side (C2S) board with a matt surface finish.

Applications

trucard 2 gloss is designed for the following applications:

Graphical Print

Brochures, paperback book and directory covers, greeting cards, postcards, scratchcards, lottery tickets, tags and folders.

Packaging

CD inserts, cosmetics, perfume, chocolates, premium food and non-food products.

Printing and Conversion

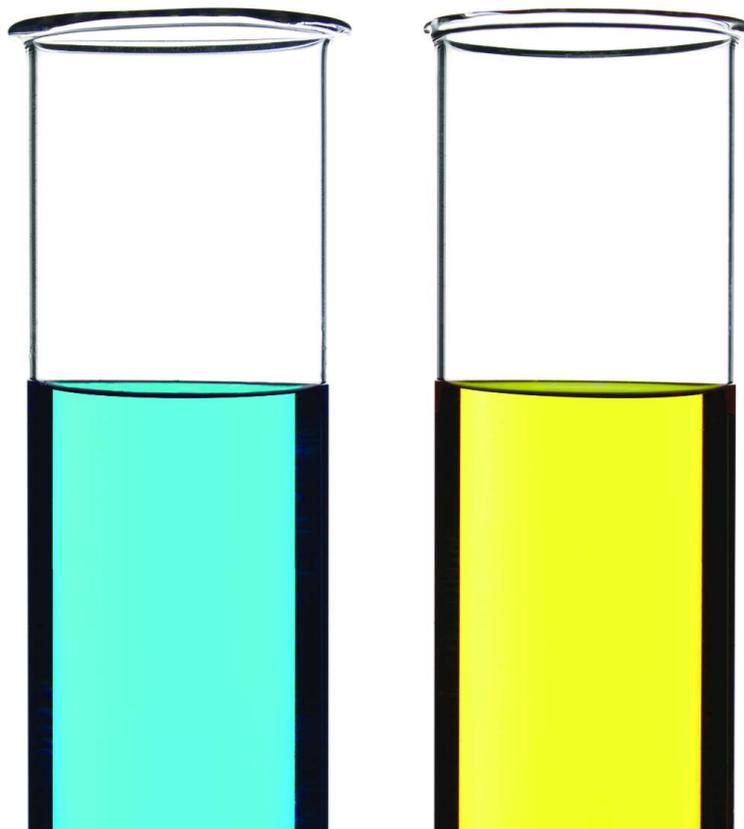

trucard 2 gloss is fully suited to the gravure, offset litho, laser, letterpress, and screen printing processes.

trucard 2 gloss is highly recommended for embossing, film and foil laminating, die cutting, varnishing, folding, scoring and cutting.
